

## Conference/meeting in Kolmården

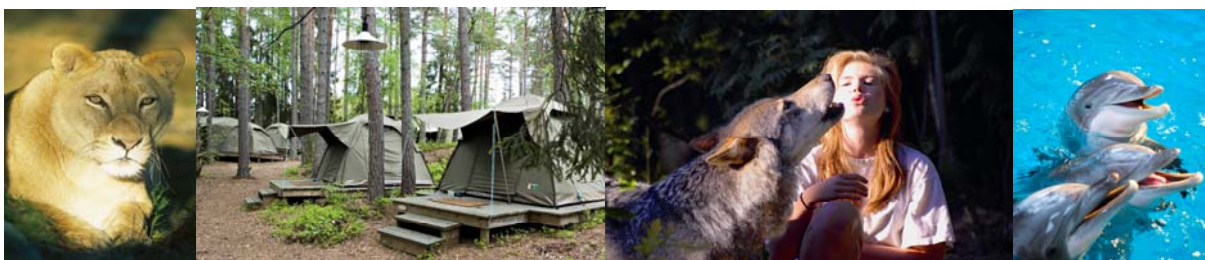

On **Vildmarkshotellet** you can collect your flock in a full equipped conference/meeting hotel. The hotel is situated next to the big and unique Kolmårdens Animal Park witch means that the visit here can be really inspiring! A new Spa "African Spa and Relax" in two floors with bubble pools and recreation rooms can be used at the hotel.

**Fotosafari** is an activity that creates memories. In groups and fitted with a digital camera the teams will create an illustration of a special theme. It can be a slogan from the company or an pressing issue. Later on there will be a vernissage with cocktails. Who made the best collage?

**Safari Camp** at Kolmården – as close to Africa as you can be in Sweden! Assembly in the Dolphinarium to dress up in safari clothes and now your adventure starts! During a couple of walking safaris in the evening you will come really close to both lions and wolves! Overnight stays in real African comfortable tents! Read much more in the pdf Safari Camp.

A conference/meeting under the water surface in the **Dolphinarium** can be arranged. Here you can have a meeting side by side with the curious dolphins! If you are lucky you can take part of the rehearsals of the evening show!
