

St. Birgitta and Vadstena

Let your customers meet and conference in a harmonic, unique and sophisticated atmosphere in Vadstena!

Vadstena town is a historic pearl and one of Swedens most well preserved middle age towns with ancestors from the 1200s. This is a town with a very pleasant and genial atmosphere! The unique cathedral was built on the directive of St. Birgitta and consecrated in 1430. Today it holds Birgitta's shrine from the 1300s.

The modern hotel, Vadstena Klosterhotel, is situated in the former Birgitta convent buildings! Here you find great conference possibilities and a restaurant with a very good reputation so you can easy conference here in two days with full board. Take a break in the afternoon and walk five minutes to the old beautiful church. Settle down and listen to a short organ play and find yourself filled with harmony! Before dinner you can step down to the cellar and find Sweden's biggest and best assortment of wine! Just a stones throw from the hotel you find the glittering lake Vättern and here you can eat the lunch by the waterside. After lunch your group will compete in a medieval pentathlon!

For a group of ten persons with this conference package and activities you will pay from 5200 SEK/person (518 EUR) including VAT.

Welcome with your enquiry!
